COOKIE POLICY

Effective Date as of October 8, 2023

Cookie is a small text file placed on your device (computer, smartphone, tablet or any other) by websites that you visit.

They are widely used in order to make websites work more efficiently, as well as to provide information about functionality and behaviour of the users on the site.

Cookie helps you to better interact with a website and helps a website to better interact with you.

Cookies do not contain your personal data.

1. Fozeus company (hereinafter Fozeus) uses cookies, tags (together – Cookie) to:

   - understand how you use website and to provide you with a safe, effective and user-friendly website;
   - remember your settings, such as preferred language, type of the device, news already shown to you, your preference about Cookie allowance;
   - keep opened sessions and conversation during your last visit to the website;
   - identify the popularity of different sections of the website and improve them respectively;
   - prevent and exclude unauthorised use of the website.

2. Fozeus normally does not associate your account with your Cookie, however in exceptional cases we may use this option to prevent or avoid unauthorised use of the website and violation of applicable agreements between you and us. In this case we will treat this information as personal and process as described in the Privacy Policy.

3. Fozeus uses third party web analytics services that assist us in better understanding of our website use, those services are complied with the prescribed adequacy of security measures. For example, we use Google Analytics service powered by Google LLC (US). This service helps us to improve the effectiveness of our advertising efforts and understand your preferences and interests. It collects information and reports website usage statistics without personally identifying you – we use it for better delivery of our ads. Please check the details about Google Analytics services here: https://policies.google.com/technologies/partner-sites. However, in some cases Google can match information collected through Cookie with your Google account and use it under Google Privacy Policy explained here: https://policies.google.com/privacy.

4. If you do not want to share your Cookie you may restrict it or block it.

4.1. If you prefer not to allow cookies, please use your browser settings, most browsers give you an ability to manage your cookies or provide you with "incognito mode" or similar options.

   For more information about how to disable cookies completely or how to amend your cookie settings check https://www.allaboutcookies.org.

COOKIE POLICY
